**(E) A Fish Story (1/2)**

Aymara is a South American language spoken by more than 2 million people in the area around Lake Titicaca, which, at 12,507 feet above sea level, is the highest navigable lake in the world. Among the speakers of Aymara are the *Uros*, a fishing people who live on artificial islands, woven from reeds, that float on the surface of Lake Titicaca.
